# Poster Presentation Session 1

Thursday, 7 December 2023 | 15:00 - 15:30

## Panel 1 Moderator: David Alao

130	Door-To-Antibiotic Time And Mortality In Sepsis: Systematic Review And Meta-Analysis	Colin Graham, Hong Kong
5	Prospective Validation Of Difficult Airway Physiological Score To Predict Patients With Serious Outcomes Undergoing Intubation	Shahan Waheed, Pakistan
39	A Prospective Study Evaluating Gender Differences Of Serious Outcomes Through Difficult Airway Physiological Score (Daps)	Shahan Waheed, Pakistan
30	Randomized Controlled Trial To Assess The Effectiveness Of Apnoeic Oxygenation To Prevent Desaturation During Intubation	Shahan Waheed, Pakistan
6	Etiology Of Traumatic Causes Of Extensor Pollicis Longus Tendon Rupture; Systematic Review. Saudi Arabia	Yousef Ahmed Alhamaid,
10	The Effect Of Lockdown On Trauma Cases In A Tertiary Hospital During The Covid Lockdown Emirates	Farnoosh Farzin, United Arab
8	Emergency Versus Ophthalmology Perception Of Teleophthalmology Consultation In Emergency-Department And Their Willingness To Use It.	Abdullah Almulhim, Saudi Arabia
27	Preference For Visiting Emergency Department Over Primary Health Care Center Among Population In Saudi Arabia	Mohammed Alghamdi, Saudi Arabia
16	Impact Of Introducing Multidisciplinary Huddles In The Emergency Department On Patient Risk Management.	Danish Sami, United Arab Emirates
20	The Impact Of Covid19 On The Number Of Dead-On Arrivals (Doa) During The Pandemic.	Fareed Ahmed, Pakistan
21	Identification Of In-Hospital Factors Associated With Clinical Outcome In Pediatric Patients With Head Injury.	Fareed Ahmed, Pakistan

## Panel 2 Moderator: Munawar Farooq

33	Appropriateness Of Radiographic Imaging Ordered By Emergency Physicians: A Knowledge-Based Survey	Abdul Ahad Chhotani, Pakistan
22	Clinical Predictors Of Abnormal Ncct Scan Of Brain In Patients With Ams In Emergency Department.	Mohammad Arman, India
24	Knowledge, Attitude And Practice Of Infection Control Practices In Emergency Medicine Department	Deepak Kumar, India
25	Knowledge,Attitude And Practice Of Doctors In Odisha Towards Informed Consent To Treatment	Dibyasha Nayak, India
121	Mri V/S Non Contrast Ct Brain In Evaluation Of Stroke	Rohan Shah,United ArabEmirates
31	The Level Of Competency Of Emergency Residents To Interpret The Electrocardiogram In Riyadh Regions.	Htoun Al-Rajeh, Saudi Arabia
32	Patient's Expectations Of Emergency Department Care In Saudi Arabia: A Cross-Sectional Study	Htoun Al-Rajeh, Saudi Arabia
43	Prehospital Airway Management By Health Workers In Riyadh City	Htoun Al-Rajeh, Saudi Arabia
35	Relevance Of Choosing Wisely Canada Recommendations For Emergency Medicine Practice - An Update	Suneel Upadhye, Canada
187	Head And Spinal Injuries In Pediatrics Descriptive Study Over 10 Years In Tertiary Hospital	Dania Almiqdad, Jordan
36	Perampanel Overdose: A Case Report And Literature Review	Mohamed Alfardan, United Arab Emirates

Program subject to change

**Panel 3**  
**Moderator: Osama Kentab**

38	Decompression Sickness Among Divers In Saudi Arabia: A Cross-Sectional Study	Farah Abdullah Aljarid, Saudi Arabia
200	The Efficacy Of Ketamine To Opioid In Patients With Acute Pain In Emergency Department, Sr&Ma	Farah Abdullah Aljarid, Saudi Arabia
136	Using Online Platforms Between Different Healthcare Settings For Critical Appraisal United Arab Emirates	Ismail Abdulrasheed,
40	The Use Of Ultrasound By Emergency Medicine Teams After Earthquakes: A Scoping Review	Evert Verhoeven, Belgium
183	Factors Improving Flow Rate For Rapid Resuscitation, Based On The Hagen-Poiseuille's Law United Arab Emirates	Mahdis Seddiq,
45	To Give Or Not To Give: Thrombolytics For Massive Pulmonary Embolism In Profound Anaemia Patient	Sathya Kaliannan, Singapore
50	Case Report: An Atypical Cause Of Pneumomediastinum	Astrid Verschaeve, Belgium
67	Stump Appendicitis, A Rare Cause Of Upper Abdominal Pain: A Case Report	Ibrahim Kiliccalan, Turkey
77	Standardized Hospital Guidelines For Paracetamol Overdose – Fewer Prescription And Drug Administration Errors?	Roshan Joseph, United Kingdom
92	Preventing Hypocalcemia In Major Trauma - A Qip In A Major Trauma Centre In Uk	Roshan Joseph, United Kingdom

**Panel 4**  
**Moderator: Mahmood Jufaili**

46	Performance Of Heart Score In The Emergency Department - A Prospective Observational Study From India	Ezhilkugan Ganessane, India
81	Electrocardiogram Can Record Mechanical Activity Too!	Ezhilkugan Ganessane, India
80	Barium Aspiration	Ezhilkugan Ganessane, India
79	Using Point-Of-Care Ultrasound In The Emergency Department To Aid In The Diagnosis Of Pheochromocytoma	Ezhilkugan Ganessane, India
47	Large-Scale BIs Training Through A Blended Learning Mode - The Heartcode® BIs	Ezhilkugan Ganessane, India
66	A Case Of Simultaneous Sinus Venous Thrombosis And Bilateral Pulmonary Embolism With Ocp Use.	Noura Al Dosari, United Arab Emirates
48	Giant Left Atrial Aneurysm In A Three-Year Old	Maitha Almazrouei, United Arab Emirates
72	Dapsone Associated Methemoglobinemia-----A Case Of Blue Discoloration:	Erum Shakeel, Pakistan
71	Thrombocytopenia And Coagulopathy In Covid-19 Manifesting As Upper Gastrointestinal Bleed and Epistaxis	Erum Shakeel, Pakistan
188	Risk-Factors And Outcomes Of Peri-Intubation Cardiac Arrest In Pediatric Patients Presenting To The Emergency Department	Erum Shakeel, Pakistan

## Poster Presentation Session 2

Thursday, 7 December 2023 | 17:00 - 17:30

### Panel 1 Moderator: David Alao

102	Point Of Care Ultrasound -The Effectiveness Of Pocus In Emergency Department	Mubashir Hamid, Australia
209	A Descriptive Study Of Child Abuse Cases In Paediatric Emergency Department (Tertiary Care Hospital Karachi)	Hareem Ayub, Pakistan
308	Measurement Of Temperature Excursions In Different Medication Storage Compartments During A Mass Casualty Incident	Ives Hubloue, Belgium
75	Brugada Phenocopy In Hyperkalemia – A Rare Ecg Finding	Nirdosh Rassani, Pakistan
91	Subclinical Hyperthyroidism Presenting With Hypokalemic Periodic Paralysis In The Emergency Department	Nirdosh Rassani, Pakistan
157	Severe Digoxin Toxicity In A Child Managed With Cholestyramine. A Case Report.	Hadia Iftikhar, Pakistan
84	Chronic Limb Threatening Ischemia Masquerading As Vitamin D Deficiency; A Case Report	Hadia Iftikhar, Pakistan
165	Knowledge Attitude And Practices Regarding Difficult Airway Management Amongst Emergency Medicine Physicians Of Pakistan	Hadia Iftikhar, Pakistan
128	Challenges And Insights: A Case Report Of Aortic Dissection In A Patient With Loays-Dietz Syndrome	Faisal Alghamdi, Saudi Arabia
122	Indicators Of Survival In Out-Of-Hospital Cardiac Arrest: A Systematic Review And Meta-Analysis	Faisal Alghamdi, Saudi Arabia
124	A Systematic Review And Meta-Analysis Of Pre-Hospital Plasma Administration For Hemorrhagic Shock	Faisal Alghamdi, Saudi Arabia

### Panel 2 Moderator: Munawar Farooq

151	The Role Of Computed Tomography In Severe Sepsis	Fatema Allay, United Arab Emirates
100	An Unexpected Cause Of Acute Flank Pain	Bart Craeye, Belgium
78	Electrocardiographic Changes In Patients With Acute Ischemic Cerebrovascular Events At A Tertiary Hospital, Dubai	Sariah Fakhani, United Arab Emirates
349	From Sore Throat To Tetanus: A Critical Case In Emergency Medicine: A Case Report	Afnan Abdellatif Hassan, United Arab Emirates
82	Impact Of Feedback On The Quality Of Academic Sessions In An Em Training Program: Qip	Emranur Rahman, United Arab Emirates
90	Early Use Of Hfnc Therapy For Patients With Bct And Rib Fracture: A Pilot Study	Claudia Carelli, Italy
88	Gfap And Uchl1 Plasmatic Level Evaluation As Support To Ct Imaging In Patients With Tbi.	Claudia Carelli, Italy
193	Ed Recognition Of Delirium: Quality Improvement Towards A Geriatric-Friendly Ed	Mohammad Anzal Rehman, United Arab Emirates
85	E.n.d.o.r.s.e. – A Collaborative Academic Initiative In The Emergency Department	Mohammad Anzal Rehman, United Arab Emirates
142	An Audit For Procedural Sedation For Patients Attending Sheikh Khalifa Medical City Emergency Department	Afra Al Mansoori, United Arab Emirates

### Panel 3 Moderator: Osama Kentab

107	Electrolyte Disturbances Among Ed Patients Presenting With Acute Copd Exacerbations - Chart Review	Daniah Kamfar, Saudi Arabia
97	Enhancing Documentation Skills Of Emergency Medicine Residents: A Quality Improvement Project	Aisha Alsarkal Al Ali, United Arab Emirates

Program subject to change

195	Using Machine Learning Technique In Managing Emergency Triage Flow.	Mubarak Alkhudair, Saudi Arabia
106	The Perfect Week: A Novel Departmental Quality Improvement Initiative	Elsa Mohan, United Arab Emirates
161	Takotsubo Cardiomyopathy Secondary To Status Epilepticus In Herpes Simplex Encephalitis: A Case Report	Amani Al Kalbani, Oman
110	Aortic Dissection Presenting As A Stroke: A Case Report	Calyn Yap, Singapore
145	Evaluating Esi's Effectiveness In Triage Of Critical Paediatric Patient: Management, Disposition, And Resource Utilization	Noor Ulain, Pakistan
146	Not Every Anosmia Is Covid, A Case Of Nasal Mass	Erkan Gunay, United Arab Emirates
232	Urgent Surgery For A Month-Long Headache: A Case Report	Erkan Gunay, United Arab Emirates
109	An Accidental Exposure To Chlorine Causing Chemical Pneumonitis	Nazneen Syeda, United Arab Emirates

**Panel 4**  
**Moderator: Fatma Al Blushi**

113	Emergency Departments Overcrowding: A Systematic Review Of Causes, Consequences And Solutions In Saudi Arabia	Meshari Aldawood, Saudi Arabia
126	Intussusception During Covid-19 - A Retrospective Cohort Study	Naziha Abdullahi, United Arab Emirates
135	Identification Of Indicators For Evaluating Health Disaster Management Interventions During Relief Phase: A Scoping Review	Sofie Pauwels, Belgium
137	Hyperflexion Teardrop Fracture In A 17-Year Old Professional Gymnast: A Case Report	Niña Van Driessche, Belgium
206	Comparison Of Acetaminophen, Ketamine/Ketorolac Versus Morphine In The Treatment Of Acute Renal Colic: Network Meta-Analysis	Roaa Morya, Saudi Arabia
163	Incidence And Geographical Predominance Of Drowning In KSA	Reema Alhussein, Saudi Arabia
140	Impact Of Asthma Management Protocol In Reducing Length Of Stay In Low Income Countries	Razi Rahman, Pakistan
181	Impact Of Asthma Management Protocol In Reducing The Length Of Stay In Low Income Countries	Razi Rahman, Pakistan
174	Clinical Spectrum Of Poisoning In Pediatric Emergency In Underdeveloped Countries	Razi Rahman, Pakistan
279	Outcomes Of Patient Driven Bubble Cpap In Pediatric Emergency Room Of Busy Tertiary Care Center	Razi Rahman, Pakistan

## Poster Presentation Session 3

Friday, 8 December 2023 | 15:00 - 15:30

### Panel 1 Moderator: Ziad Kazzi

143	40-Year-Old With Congenital Intestinal Malrotation In Uae- A Rare Emergency Department Diagnosis.	Sabrina Berdouk, United Arab Emirates
178	Approach To Poisoned Patients With High Anion Gap Metabolic Acidosis In The Ed: Case Series	Tibah Al-Abbasi, United Arab Emirates
194	Comparison Of Different Ketofol Doses During Orthopedic Procedures In Patients Referred To The Emergency Department	Kourosh Javdani Esfehiani, United Arab Emirates
166	Collaborative Advanced Trauma Care: Evaluation Of A Trauma Program From Pakistan In An Ethiopian Context	Anna Yaffee, United States
167	Evaluation Of A Pharmacist-Led Antimicrobial Stewardship Practices In A Pediatric Emergency Department	Taqwa Zahoor Hussain, Pakistan
319	Management And Frequency Of Acute Poisoning Among Children Received In Pediatric Emergency Department (Ped)	Taqwa Zahoor Hussain, Pakistan
185	The Contrast May Burn A Little' - Case Report Of Severe Anaphylactic-Shock Following MRI IV-Contrast	Elrasheed Salih, United Arab Emirates
184	Traumatic Optic Neuropathy From An Air Gun Pellet Injury: A Case Report.	Iqra Anis, Pakistan
172	Assessing Pattern Of The Pediatric Multisystem Inflammatory Syndrome (Pmis) In Children During Covid-19 Pandemic	Iqra Anis, Pakistan
179	Unilateral Methanol Induced Toxic Optic Neuropathy: A Case Report.	Iqra Anis, Pakistan
186	Sub-Hepatic Appendicitis Masquerading As Right Upper Quadrant Discomfort: A Case Series.	Iqra Anis, Pakistan

### Panel 2 Moderator: Anna Yaffee

182	Carbon Monoxide Poisoning And Myocardial Injury: A Case Report	Ebtesam Safi, United Arab Emirates
177	Bilateral Hearing Loss After Carbon Monoxide Poisoning	Ahmed Alsakha, United States
164	Point-Of-Care Ultrasound In Cardiorespiratory Arrest (Pocus-Ca): A Meta Analysis	Qasem Almulihi, Saudi Arabia
173	Efficacy And Safety Of Using Morphine Vs Nubain In Treating Scd With Voc	Qasem Almulihi, Saudi Arabia
180	Serial Vital Sign In The Er Predict Scd Patient Deterioration Within 72 Hours: Cohort Study.	Qasem Almulihi, Saudi Arabia
175	Applications Of Artificial Intelligence And Machine Learning In Emergency Medicine Triage, A Systematic Review	Qasem Almulihi, Saudi Arabia
160	A Comparative Study To Evaluate The Correlation Between Er Admission Diagnosis And Hospital Discharge Diagnosis.	Qasem Almulihi, Saudi Arabia
158	Is Hypertonic Saline An Alternative To Mannitol In The Treatment Of Tbi? A Meta-Analysis	Qasem Almulihi, Saudi Arabia
203	Management Of A Patient Presented With Amitriptyline Poisoning- A Rare Case Report	Harsha Makwana, India
211	Unscheduled Revisits To The Pediatric Emergency Department	Areeba Sultan, Pakistan

### Panel 3 Moderator: Badria Al Hatali

260	Acute On Chronic Sdh As A Complication Of Untreated Spontaneous Csf Leak Following Air Travel	Asma Shahid, United Arab Emirates
212	Snakebite Advice And Counseling From Artificial Intelligence: An Acute Venomous Snakebite Consultation With Chatgpt	Abdullah Altamimi, Saudi Arabia
215	Epidemiology Of Pediatric Trauma In Makkah City: An Observational Cohort Study	Nedaa Alsulaimani, Saudi Arabia

239	Discrepancy Between Emergency Department Diagnoses And Discharge Diagnoses In A Tertiary Center In KSA	Latifa Alshabib, Saudi Arabia
228	Severe Hydrocarbon Pneumonitis, A Fatal Complication Of Petroleum Aspiration: A Case Report Emirates	Neema Francis, United Arab
249	Effect Of Estimated Waiting-Time Provision On Patients' Satisfaction With Emergency Department: A Randomized Control Trial	Lina Almudayris, Saudi Arabia
219	Clinical Characteristics Of Dka In Children With Diagnosed Diabetes <sup>1</sup> Emergency Department Of Resource Limited Country	Nazia Urooj, Pakistan
222	Emergency Department Revisits In Children With Gastroenteritis	Nazia Urooj, Pakistan
296	Outcomes Of Patients Discharged From The Pediatric Emergency Department With Abnormal Vital Signs	Nazia Urooj, Pakistan
227	Sodium Nitrite Toxicity In A Suicidal Attempt: A Case Report Emirates	Lamees Ahmed, United Arab
131	Investigating Characteristics Of Patients And Healthcare Visits Prior To Out-Of-Hospital Cardiac Arrest In Oman	Mohammed Albadri
<b>Panel 4</b> <b>Moderator: Afra Alsuwadi</b>		
226	Antibiotics For Suspected Urinary Tract Infections In The Emergency Department, How Are We Doing?	Shahad Alsheikh, Saudi Arabia
229	Acute Upper Limb Ischemia Secondary To Primary Left Subclavian Thromboembolism: A Case Report	Phalguni Sai Preethi Asapu, United Arab Emirates
241	Early Diagnosis Of Upper Extremity Deep Venous Thrombosis Using Emergency Department Point-Of-Care Ultrasound: Case Report	Tasnim Ahmed, United Arab Emirates
244	Improvised Femoral Nerve Block Model Using Everyday Items: An Affordable Alternative For Medical Training	Aysha Simran Haris, United Arab Emirates
237	Aortic Dissection That Presented To A Tertiary Hospital's Ed In Dubai, Uae: A Descriptive Study	Ivyan Kambal, United Arab Emirates
242	Door-To-Ecg Time And Associated Factors For Chest Pain Patients Attending Emergency Department In Saudi Arabia	Omar Aldamigh, Saudi Arabia
243	Leave Against Medical Advice - A Single Centre Experience Of Patient Characteristics In Abu Dhabi	Shamma Salem Alhajeri, United Arab Emirates
245	Shock And Its Management In Pediatric Emergency	Deenay Khoso, Pakistan
274	Lessons Learned From A Fatal Case Of Tuberculous Meningitis: A Case Report	Farya Rehman, United Arab Emirates
108	Unique Presentation Of Congenital Ureteropelvic Junction Obstruction In Adult	Faiza Akhlaque, United Arab Emirates

## Poster Presentation Session 4

Friday, 8 December 2023 | 17:00 - 17:30

### Panel 1 Moderator: Ziad Kazzi

281	Dka Prediction In Children Using Artificial Intelligence: Improved Emergency Care	Arifa Parveen, Pakistan
247	The Characteristics And Outcomes Of Patients With Dnr In Alain City, The United Arab Emirates	Nada Al Saeed, United Arab Emirates
252	Prevalence Of Covid-19 Among Patients Arriving In Pre-Arrest/Cardiac Arrest During The Covid-19 Pandemic	Rinad Aljoaid, Saudi Arabia
253	How Healthcare Workers Cope With Grief After The Child's Demise In Paediatric Emergency Department?	Shumaila Khan, Pakistan
271	Frequency Of Peripheral Iv Catheter In Neonates With Prolong Stay In Emergency Of Low-Income Country	Ayesha Javed, Pakistan
276	Outcomes Of ADR Reporting In The Pediatric Emergency Department And Its Role In Pharmacovigilance	Abir Iqbal, Pakistan
347	The Impact Of A POCUS Training Program In Knowledge Acquisition & Skills Among Non-Trained Physicians	Maryam Al Nuaimi, United Arab Emirates
299	Unveiling The Diagnostic Landscape: assessing The Rate Of Positive Findings In Radiological Imaging By Emergency Department	Fatema Habib, United Arab Emirates
353	A Race Against Time: A Case Report Of Fulminant Myocarditis Leading To Cardiogenic Shock	Martin Joseph, United Arab Emirates
258	Isolated Anterior Cerebral Artery Occlusion Atypical Presentation With Pure Sensory Deficit	Gina Rami Abdelmesih, United Arab Emirates
321	Fatal Case Of Ebv Induced Hemophagocytic Lymphohistiocytosis Syndrome (HLH) Presenting With Acute Abdomen	Gina Rami Abdelmesih, United Arab Emirates

### Panel 2 Moderator: Anna Yaffee

294	Does Trauma System Regionalization Improve Outcomes In Patients With Major Traumatic Injuries?	Zia Danesh Jummani, United Arab Emirates
267	Preventing Hypoglycemia & Hypothermia In Neonates By Improved Nursing Practices In A Busy Pediatric ER	Maha Akram, Pakistan
262	Acquired Cerebral Achromatopsia Secondary To Occipital Stroke	Noura Alhosani, United Arab Emirates
265	Effect Of Nursing Rota In Improving Time To Triage & Time To Treatment	Madiha Makwana, Pakistan
268	Neonates With Septic Shock And Outcomes: a Retrospective Study From Tertiary Care Hospital	Dr. Shumaila Khan, Pakistan
278	Trends And Patterns In An Emergency Department Visit Of A Tertiary Care Hospital In Karachi	Joham Anees, Pakistan
277	Spectrum Of Neonatal Surgical Emergencies And Their Outcome Presenting To A Tertiary Care Hospital	Kamran Rasheed, Pakistan
280	Role Of Pharmacist In Disaster Management In Pediatric Emergency Department (Ped)	Faiza Usman, Pakistan
283	Pharmacist Role In Medication Safety In A Busy Public Sector Pediatric Emergency, Pakistan	Faiza Usman, Pakistan
284	Management And Resuscitation Of Near-Drowning Children: Discussion And Counseling Of Parents Regarding Outcome And Mortality	Jia Pradha, Pakistan

### Panel 3 Moderator: Badria Al Hatali

348	A Misleading Pain: Unravelling Pulmonary Embolism Masquerading As Flank Pain	Heba Ahmed, United Arab Emirates
291	Pulses Never Lie: Detecting Painless Aortic Dissection In A Stroke-Like Presentation	Heba Ahmed, United Arab Emirates
292	Snake Bite Cases In Pediatric Emergencies, Presentation And The Role Of Anti Venom, And Its Reactions	Iqrar Hussain, Pakistan

Program subject to change

316	Incidence And Risk Factors For Neonatal Tetanus	Emad Ud Din, Pakistan
295	Predictors Of Meningitis In Children Presenting With First Episode Of Febrile Seizure In Pediatrics Emergency	Muhammad Sadique Qazi, Pakistan
302	The Effect Of Emergency Department Crowding On Reassessment Of Children With Critically Abnormal Vital Signs.	Laraib Rafique, Pakistan
301	Radiology And Head & Neck Emergencies: An Adventure Down The Neck Spaces	Noor Badrawi, United Arab Emirates
336	The Role Of Eqms System In Emergency Room Management And Its Impact On Patient Satisfaction	Raza Khan, Pakistan
312	The Impact Of Nursing Leadership Style On Nurse Performance And Patient Satisfaction	Raza Khan, Pakistan
311	The Role Of Er Administrator Leadership Style On Patient Satisfaction: Study Of Children Emergency Centers	Raza Khan, Pakistan
322	Extracorporeal Cardiopulmonary Resuscitation For Cardiac Arrest In Emergency Department: Emergency Physicians Perception, Attitude, And Practices	Hassan Alshaqqa, Saudi Arabia

**Panel 4**  
**Moderator: Hassan Albalushi**

339	Shift Handover Quality In Saudi Critical Care Units: Determinants From Nurses' Perspectives	Yara Alnajjar, Saudi Arabia
341	Rectal Perforation By High Pressure Compressed Air. (A Case Report)	Eman Ali, United Arab Emirates
329	Jejunal Perforation By Fishbone	Zaid Al Zaghal, United Arab Emirates
330	Awareness Of Blood Type Among Adults In The United Arab Emirates: A Community Based Research	Dima Saleh, United Arab Emirates
351	Triage System-A Crucial Tool To Prioritize The Patient And Their Management And Outcome	Saima Mahar, Pakistan
344	Initiative Of Artificial Intellegence In Emergency Room Of Resource Limited Hospital Of Low-Income Country	Saima Mahar, Pakistan
352	A Ruptured Infrarenal Abdominal Aortic Aneurysm In A 35 Years Old Female.	Khawla Khansaheb, United Arab Emirates
355	Bilateral Arm Weakness, Think Extracranial! A Case Report Of Spinal Cord Infarction.	Alaa Chikh Hussein, United Arab Emirates
198	The Clinical Experience Of Croup At A Tertiary Care Center In Jeddah, Western Saudi Arabia	Shaimaa Ali Alghamdi, Saudi Arabia
7	Does Emergency Clerkship Change Students' Misconceptions Towards Emergency Specialty? Pre And Post-Clerkship Perceptions: Comparative Study	Ibrahim Almulhim, Saudi Arabia
139	Prevalence Of Career Indecision And Factors Influencing It Among Medical Students And Interns In Oman	Fatma Salim Al Kharusi, Oman
